SPA BASICS

Choosing treatments

Our spa team is happy to offer advice to ensure you choose treatments specifically suited to your spa needs. Treatments may be combined to make unique spa experiences.

When to arrive

To enhance your spa experience, we encourage you to arrive 20 minutes prior to your treatment. This will allow time for you to complete a consultation form and get changed into one of our luxurious robes and spa footwear. Giving yourself time prior to your treatment will help to optimise the overall effect of your visit to Stephanies® and completely re-balance your mind, body and spirit.

What happens if I am late?

Arriving late will simply limit the length of your treatment and therefore lessen your time spent with us. Treatments will always finish as scheduled in order to not delay and inconvenience the next client.

During your visit

On arrival our spa receptionist will greet you and after your spa consultation, you will be asked to change into a spa robe and slippers and secure your belongings in your personal locker. Towels, showers and toiletries are all provided for you. Please bring swimwear bottoms for any immersion and steam lounge therapy treatments or we can provide you with hygienic disposable underwear. If you intend to make use of the lodge's pool, please bring your own suitable attire. Please leave your valuables at home as Stephanies® cannot take any responsibility for belongings left unattended in the spa. We provide:

- Robes, slippers and towels
- Private change rooms, toiletries, showers, lockers and hairdryers
- Seasonal fruit sorbet, herbal tea, and citrus infused water, signature refreshments
- Complimentary parking

Triple spa suite

This uniquely designed suite is perfect for a small group of spa addicts and friends. This suite can also be turned into single private spa suites for individual treatments.

Bordeaux spa suite

Designed for the romantic spa experience, enjoy your own private suite offering a secluded recovery area; luxuriate with your partner while taking in the surrounds in your own exclusive French inspired Bordeaux bathing experience.

Designed to capture the true beauty of this unique property, our tranquillity lounge is perfectly positioned to take in the summit's spectacular views. Curl up, recover and enjoy the serenity as you awaken to delicious spa refreshments.
